Eid Mubarak

- Eid Mubarak to all our families and friends who have been celebrating over the past few days.

Green Week

- This week is GREAT BIG GREEN WEEK. We will be focusing on reducing, reusing and recycling. On Monday, we want to reduce the amount of single-use plastic that we use, so we are asking children to use a reusable water bottle rather than a single-use plastic bottle. Please also help us by collecting milk bottle lids, plastic bottles, newspaper, magazines and cardboard.

Cake Sale

- Our first summer cake sale will be this Friday. We would like families in EYFS and Key Stage 1 to make, bake or buy cakes that we can sell on the day. All the money raised will go to support Silas Friends, so it will benefit all the children in school. Thank you for your support!
