CROSSING PATROL

Dear parent / carer,

I am delighted to announce that Liverpool City Council will be providing us with a school crossing patrol from today. This is great news as it will help us to keep our children safe on their way to and from school.

The Liverpool City Council Crossing Patrol Team is concerned with the number of cars parking on double yellow lines and zig zag lines outside schools, and unfortunately, this happens outside our school every day. They have asked me to share the following leaflets with you. They will also be requesting additional support from the Civil Enforcement Team in order to prevent illegal parking outside school.

Parking on double yellow lines and zig zag lines is selfish and illegal. It makes it difficult for children to cross the road safely. Please think about where you park your car, and please make sure that you park safely and considerately.

Thank you for your support.

Richard Morris
