

Start Strong in September

To help make sure that your child has the best possible start to the new school year in September, we'll be sending you Six Top Tips for Success during the holidays.

TOP TIP NUMBER 2

Use the summer holidays to book your child's NHS dental check-up and to get their eyes checked. These appointments are free for children. By planning ahead and booking these appointments during the holidays, you can make sure that your child doesn't miss important school time. Please remember that routine check-ups shouldn't be booked during term time. If you can't book an appointment in the summer holidays, please plan ahead and book your child's appointment during October half term.

Thank you for your support.
We look forward to seeing everyone
back in school on 03.09.26.
