

Start Strong in September

To help make sure that your child has the best possible start to the new school year in September, we'll be sending you Six Top Tips for Success during the holidays.

TOP TIP NUMBER 3

Apply for Free School Meals. There have been changes to the Free School Meals system, so even if you're not sure whether you will be eligible, it's definitely worth it. It only takes a couple of minutes. If you qualify, your child will get a Free School Meal until the end of Year 6 and school will also receive additional Pupil Premium funding which enables us to support our children even more.

You can apply online using your Citizen Portal account.
